

San Bernardino
County Superintendent
of Schools

inspire others *with* excellent customer service

I believe each individual has the capacity to make a positive **impact**.

I will promote a positive environment to ensure the **needs** of all internal and external individuals are supported.

I am honored to **serve** students and families in order to transform lives, and understand the privilege I have in this awesome endeavor.

I will share **information** and create opportunities for employees to feel empowered and trusted.

I will build and nurture **relationships** by treating others with grace, dignity, kindness and respect.

I am committed to **elevate** the service I provide to enrich the lives of our students from cradle to career.

With integrity, collaboration, expertise and leadership, **we will** transform lives through education.
